## **Osprey Biotechnics Named Finalist in Bright House Networks Third Annual Tampa Bay Regional Business Awards**

*Winning Businesses to Be Honored at February 11 Recognition Event*

**Tampa, Fla. (January 5, 2016)** – Osprey Biotechnics announced today that it has been named a finalist in Bright House Networks third annual Regional Business Awards of the Tampa Bay area. Osprey Biotechnics was named a finalist in the medium business size category for the awards, which honor the companies, organizations and people who have impacted the Tampa Bay area with their products, services, and thought leadership. Winning businesses will be honored at a special celebration on February 11, 2016 at the Tampa Convention Center.

Bright House Networks has teamed up with Chambers of Commerce in Hillsborough, Pinellas, Polk, Pasco, Hernando, Citrus, Manatee and Sarasota counties to host this event connecting local businesses in a celebration of best-in-class. Bright House Networks will award prizes totaling over \$1,000,000, including commercial TV production, air time, customer newsletter, and cash.

Osprey Biotechnics manufactures and develops innovative microbial products for many different industries. Osprey Biotechnics' sole business is industrial microbiology. Production includes contract fermentation and toll manufacturing of cultures for a variety of applications, such as

animal probiotics, agricultural bio-pesticides and consumer products. These include bacterial concentrates, ready-to-use formulations under private label and owned brand products.

Join Bright House Networks for the Regional Business Awards of the Tampa Bay area on February 11, 2016 at the Tampa Convention Center. For more information about the Regional Business Awards and to purchase your tickets/tables, visit [www.brighthouse.com/RBA](http://www.brighthouse.com/RBA) or connect and follow #BrightHouseRBA on social media.

### **About Bright House Networks**

Bright House Networks is the sixth largest owner and operator of cable systems in the U.S. and the second largest in Florida, with technologically advanced systems located in five states including Florida, Alabama, Indiana, Michigan and California and two of the top 20 DMAs. Bright House Networks serves approximately 2.5 million customers who subscribe to one or more of its video, high-speed data, home security and automation and voice services. Bright House Networks Business Solutions offers a strong portfolio of video, voice, data, and cloud-based solutions to the small and medium business segments. In addition, Bright House Networks Enterprise Solutions provides advanced, fiber-based telecommunication services to key industry verticals in the mid-market and carrier segments, including cloud-based hosted voice, managed security, and cell backhaul to wireless carriers. The company is Cisco® Master Service Provider-certified under the Cisco Cloud and Managed Service Program, the first cable operator in the United States to achieve this designation. Bright House Networks also owns and operates exclusive, award-winning, local news and sports channels in its Florida markets. For more information about Bright House Networks, or our products and services, visit [brighthouse.com](http://brighthouse.com).
